Plants and Flowers

In preparing and entering flowers for show purposes, the quality of the flower is the main requisite. Quantity will not be considered and is often the cause of rejection. In the selection of flowers, be sure you get the best your garden has to offer and remember that a few well displayed flowers, cut with long stems and showing the individual

beauty of each flower is important. There should be no leaves below the waterline in the containers. If possible fresh flowers may be brought in during the week for the cut

flower displays, in order that the flower show may be attractive at the end of the week.

All flowers are to be raised by the exhibitor except flowers in flower arrangement classes.

Entry forms must be mailed by August 20th. All Classes are open to juniors up to age 18. Please specify age in the space provided on the entry form.
