Uniformity in size, shape, color, and maturity is important. Entries should not be soft , under mature, tough, or over mature. Entries should be clean of soil but not scrubbed, and free of blemish or damage caused by insects, disease, or mechanical means. A serving size of edible vegetables is preferred. Exhibitors may only enter the items listed and only one entry in the "other" category. For junior entries, please use a "Y" after each lot number. Junior entries will be judged separately. Please indicate the child's age in the space provided on the entry form. Use a separate entry form for each person entering. Adults in the same household may NOT enter the same items. The only EXCEPTION to this will be in Class B. No individual entries will be allowed if you are entering a family or farm display. Because of space limitations, we regret that we must limit individual entries to 20 items. Entries must have the proper quantity in a lot to be judged. Under "other" categories, please list variety if known. NO LARGE ZUCCHINI. Premiums will be paid as follows:

In preparing & entering flowers for show purposes, the quality of the flowers is the main requisite. Quantity will not be considered & is often the cause of rejection. In the selection of flowers, be sure you get the best your garden has to offer and remember that a few, well displayed flowers, cut with long stems and showing the individual beauty of each flower is important. There should be no leaves below the water line in the containers. If possible, fresh flowers may be brought in during the week for the cut flower displays, in order that the flower show be attractive at the end of the week. All flowers are to be raised by the exhibitor except flowers in flower arrangement classes. All classes are open to juniors up to the age of 18.
